

JOHN LLOYD DESALIZA

SOFTWARE DEVELOPER INTERN

P-12 Sta. Elena (Poblacion) Camarines Norte | johnlloyddesaliza15@gmail.com | 09519103353

SUMMARY

An eager-to-learn BS in Information Technology undergraduate from Camarines Norte State College with a diverse technical background spanning web development, graphic design, and multimedia design. Experienced in building functional systems using PHP, Java, Python, and Dart (Flutter), with proficiency in database management (MySQL, SQL) and web technologies (HTML, CSS). Possesses hands-on experience in IoT development, and creating scalable web applications with reliable system architectures and APIs. Detail-oriented and adaptable, ready to contribute across web development, graphic design, and creative or technical roles.

EDUCATIONAL BACKGROUND

TERTIARY:	Bachelor of Science in Information Technology Camarines Norte State College 2022-present
SECONDARY:	Maria Aurora Academy (CSS) Sta. Elena Camarines Norte 2020 -2022

TECHNICAL SKILLS

PROGRAMMING & SOFTWARE DEVELOPMENT

- Proficient in PHP, Java, Python, Visual Basic, and Dart (Flutter)
- Experienced in web development using HTML, CSS, and JavaScript
- Capable of building mobile applications and web-based systems
- Skilled in database management using MongoDB, MySQL, and SQL
- Experience building practical and project-based solutions

DESIGN & MULTIMEDIA

- Experienced in creating visual materials using Canva
- Basic video editing utilizing Adobe Premiere Pro
